

## International Photo and Video Contest - “Pandemic Images”

### ENTRY RULES

The Portuguese Association for Hospital Development (APDH) invites you to participate in the **International Photo and Video Contest - “Pandemic Images”**. The following rules define the framework, aim, eligibility and technical requirements for participating in the contest.

#### Framework:

In the current context of the national health services’ response to the COVID-19 pandemic, APDH decided to launch, within the **8<sup>th</sup> International Hospital Congress “Health 6.0: People and Technology”**, an International Photo and Video Contest that portrays the impact of the COVID-19 pandemic on health services, their professionals and patients.

#### Aim:

To preserve the historical memory of the moment we are going through in the various health systems, to raise awareness of the importance of quality health care and to celebrate the professionals who represent the front line in the fight against the pandemic.

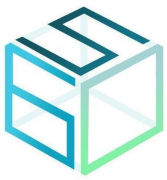

#### Eligibility:

Health Professionals, Patients and the Community in general

#### Technical requirements:

Submissions are accepted as digital files through our online Submission form. Please prepare your files as follows:

- Photos can be taken with a camera, smartphone or tablet (minimum resolution of 2048x1536 pixels, up to 5MB, in .JPEG format).
- Videos should be in the .MP4 format with a maximum duration of up to 1 minute. Videos can be live action or animated.
- Each entry should be accompanied by a form with the following information:
  - Work’s Title
  - One sentence in English with a brief description of the work and/or the thought it evokes
  - Author’s Name

- Telephone Contact
- Date and Location of the work
